INTEROFFICE MEMORANDUM

TO: NEFERTITI DICOSMO, RPM
FROM: MICHELLE KERR, RPM 
SUBJECT: TRANSFER OF CHEMETCO SUPERFUND SITE
DATE: MAY 10, 2013
CC: FILE

Attached to this memo is the key to the locks on the two sea containers at the Chemetco Superfund site in Hartford, Illinois. The sea containers hold Chemetco records consolidated from different areas of the facility, for safe keeping. The key is the property of Randy Smith of American Environmental Consultants, whose contact information is below. Please safe guard this key, as it is designated for the primary US EPA technical representative in the CERCLA case, and be prepared at the appropriate time to return it to Mr. Smith or pass it to the next assigned EPA staff member. Thank you.
